## The Greatest Show and Tell in Oklahoma

**Now A Featured Maker Faire:** Maker Faire Tulsa is an award-winning, family-friendly event celebrating technology, education, science, arts, crafts, engineering, food, sustainability, and making of all kinds. In 2019, Fab Lab Tulsa celebrates our seventh maker faire anniversary as one of just 30 Featured Faires in the world.

**Seeing Is Believing:** Maker Faire is an event created by MAKE Magazine. Whether as hobbyists or professionals, makers are creative, resourceful and curious, developing projects that demonstrate how they can interact with the world around them. Maker Faire Tulsa highlights Tulsa's own Do-It-Yourself (DIY) mindset.

**Benefiting Fab Lab Tulsa:** Maker Faire Tulsa is hosted by Fab Lab Tulsa, who's mission is to better our community by providing education, community and business programming that teaches innovation, design-thinking, problem-solving and change-making, together with open access to 21st Century digital fabrication tools, equipment and technology. Proceeds of the event support Fab Lab Tulsa.

**Make It All Possible:** Several sponsorship packages are available to appeal to both small and large organizations that want to be involved with Maker Faire Tulsa. Maker Faire Tulsa is a regional event that attracts over 4,000 visitors from across northeastern Oklahoma. We invite you to participate as a sponsor!
