Maker Faire® Tulsa

Over A Decade of Maker Fun: Maker Faire Tulsa is an award-winning, family-friendly event celebrating technology, education, science, arts, crafts, engineering, and making of all kinds. In 2023, Fab Lab Tulsa celebrates our 11th anniversary!

Seeing Is Believing: Maker Faire Tulsa is a partnership between Fab Lab Tulsa and Make: Community, the publishers of Make Magazine. Whether as hobbyists or professionals, makers are creative, resourceful and curious. Maker Faire Tulsa highlights Tulsa's DIY mindset.

Benefiting Fab Lab Tulsa: Maker Faire Tulsa is a community outreach program of Fab Lab Tulsa and is free to the public to attend. Proceeds of the event support our maker education programming.

Make It All Possible: Several sponsorship packages are available to appeal to both small and large organizations. Maker Faire Tulsa is a regional event that attracts over 5,000 visitors, primarily children and families, from across northeastern Oklahoma. We invite you to participate as a sponsor.
