# Maker Faire® Tulsa

**Over A Decade of Maker Fun:** Maker Faire Tulsa is an award-winning, family-friendly event celebrating technology, education, science, arts, crafts, engineering, and making of all kinds. In 2025, Fab Lab Tulsa celebrates our 13th anniversary!

**Seeing Is Believing:** Maker Faire Tulsa is a partnership between Fab Lab Tulsa and Make: Community, the publishers of Make Magazine. Whether as hobbyists or professionals, makers are creative, resourceful and curious. Maker Faire Tulsa highlights Tulsa's DIY mindset.

**Benefiting Fab Lab Tulsa:** Maker Faire Tulsa is a community outreach program of Fab Lab Tulsa, which is part of the University of Tulsa. It is free to the public to attend and the proceeds support our maker education programming.

**Make It All Possible:** Several sponsorship packages are available to appeal to both small and large organizations. Maker Faire Tulsa is a regional event that attracts over 4,000 visitors, primarily children and families, from across northeastern Oklahoma. We invite you to participate as a sponsor.
